

Help Plan the Future of Your City!

Waterbury

Plan of Conservation and Development

PUBLIC WORKSHOPS 7:00 PM

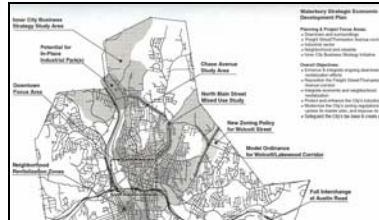

May 17, 2004 – Kennedy High School

May 19, 2004 – Maloney School

May 20, 2004 – Driggs School

May 25, 2004 – Walsh School

May 26, 2004 – Wendel Cross School

The Plan of Conservation and Development Steering Committee is holding a series of Public Workshops to gather public input for preparation of the City's first comprehensive Plan in over 30 years.

This is your chance to comment on the strengths, weaknesses, opportunities, and threats that you see facing the City.

These are important issues to the future of Waterbury

PLEASE PLAN ON ATTENDING!
